

Mevo

Obszar Metropolitalny
Gdańsk Gdynia Sopot

About the EU-Project

- ▶ Name: „Building of Metropolitan Bike System OMG-G-S,,
- ▶ Aim: to increase the share of public transport and active mobility in the OMG-G-S area and to decrease traffic caused by private cars;
- ▶ The beneficiary: Gdansk-Gdynia-Sopot Metropolitan Area.
- ▶ The project is co-financed by the European Regional Development Fund - contract signed on in November 2017.
Co-financing from the EU fund: **17.218.259 PLN** (4,05 million EUR).
Whole project value: **36,690,216.20 PLN** (8,63 m EUR)
- ▶ The contract with the system operator, NB Tricity, signed in June 2018.
- ▶ The launch of 30% of the system (stage I) on March 26, 20
- ▶ The final stage II is underway.

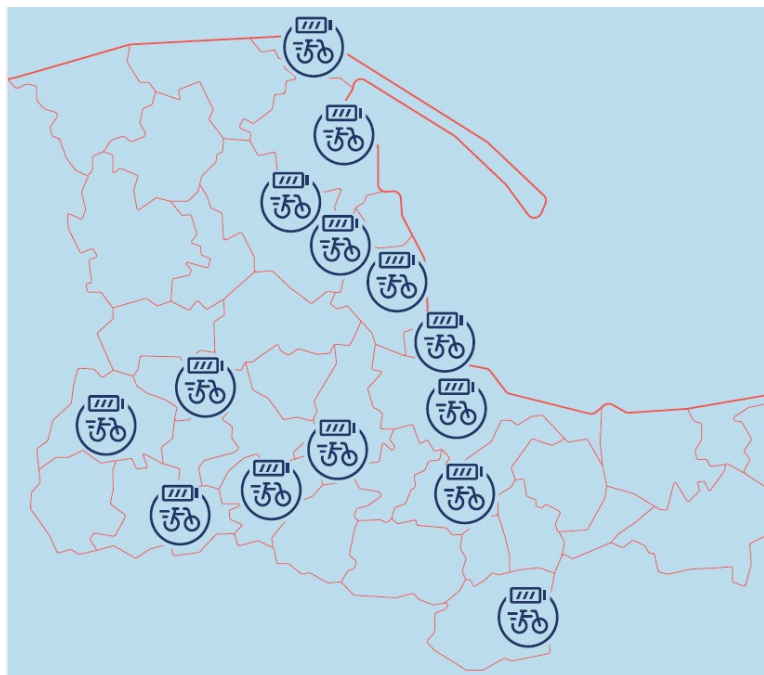

About the MEVO system

Mevo is the largest in Europe and the most modern system of public e-bicycles;

- ▶ 4020 e-bikes;
- ▶ 660 dedicated parking sites;
- ▶ sophisticated ICT system using an app, GPS, movement sensors etc

Launched simultaneously in 14 cities and communes of the Gdańsk - Gdynia - Sopot Metropolitan Area.

Using MEVO e-bikes

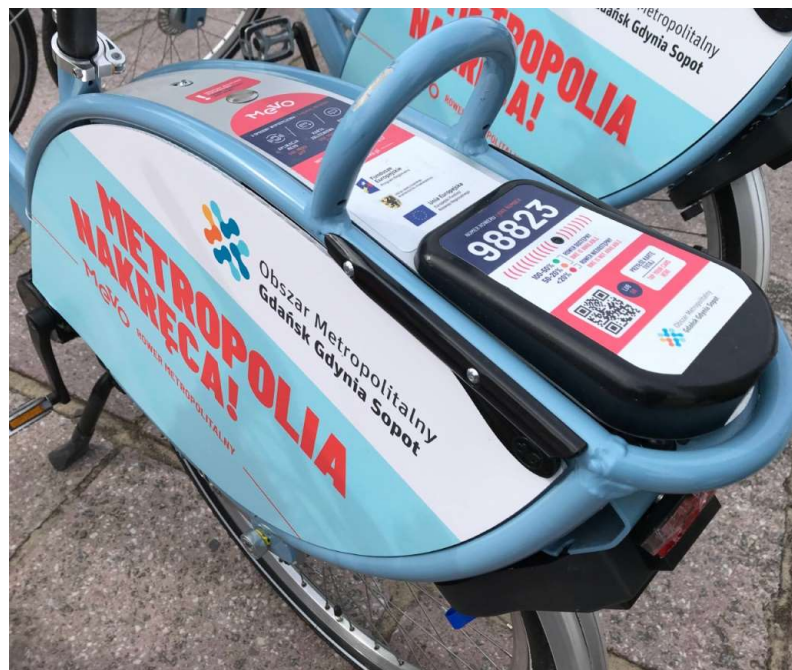

- ▶ Ride is supported by an electric motor;
- ▶ Simple and easy to use, unisex, sturdy;
- ▶ Bicycles can be rented and returned at dedicated stations;
- ▶ They can be left anywhere for an additional fee of 3 PLN;

Renting

Mevo can be rented by using:

- ▶ mobile application,
- ▶ proximity card
- ▶ Telephone contact with the Customer Service Office

Returning

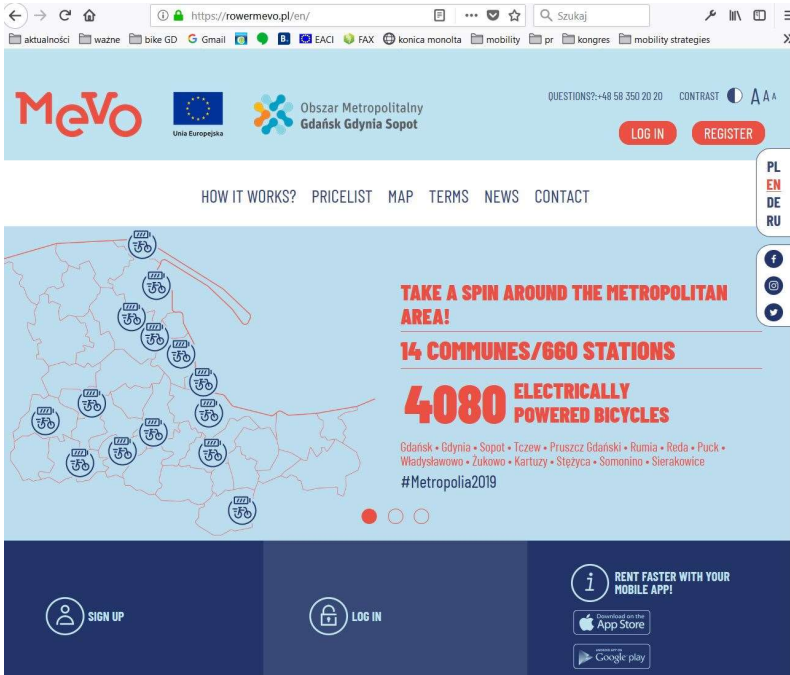

- ▶ It can be returned by locking the rear wheel of the bicycle, closing the U-Lock.
