

*Roadmap **Circular Urban
Resource Management**
for cities*

Gdansk, 2019

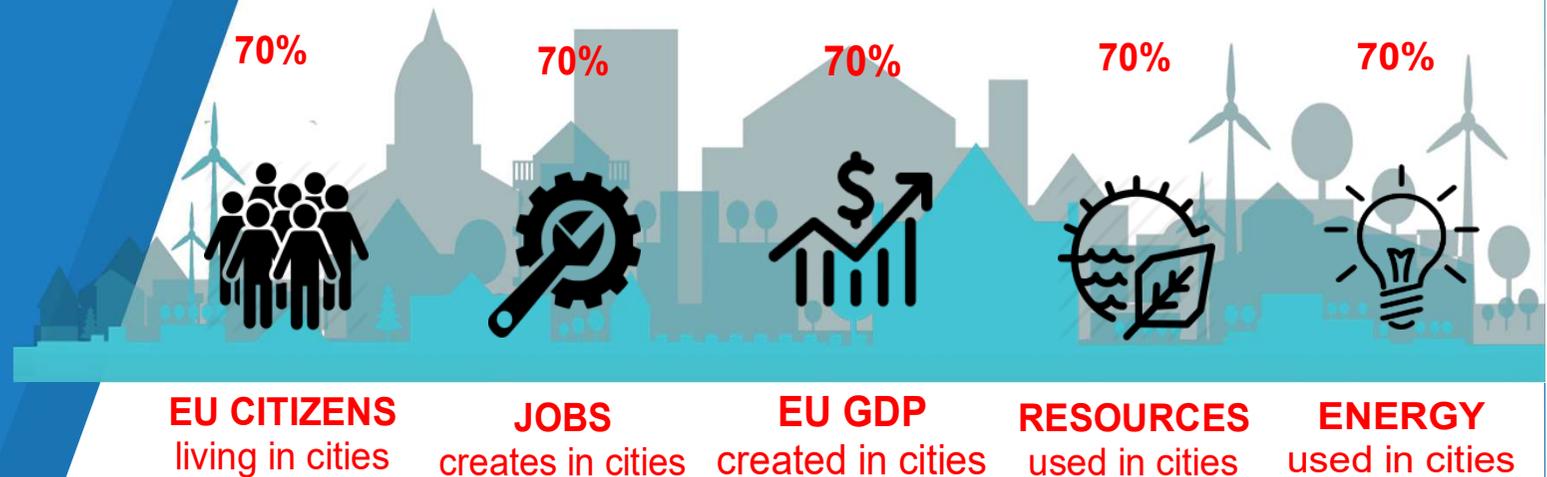

Gerko Brouwer, City of The Hague/
Urban Agenda Partnership on Circular
Economy

Roadmap Circular Urban Resource Management for cities

- Why a roadmap
- What is a roadmap
- What did we do
- What did we find
- What is the Purpose
- What are the Chapters

Why a Roadmap for cities

Health Cities = Health Planet

Roadmap

Goos Board

game of wisdom about the path of life of man

What did we do?

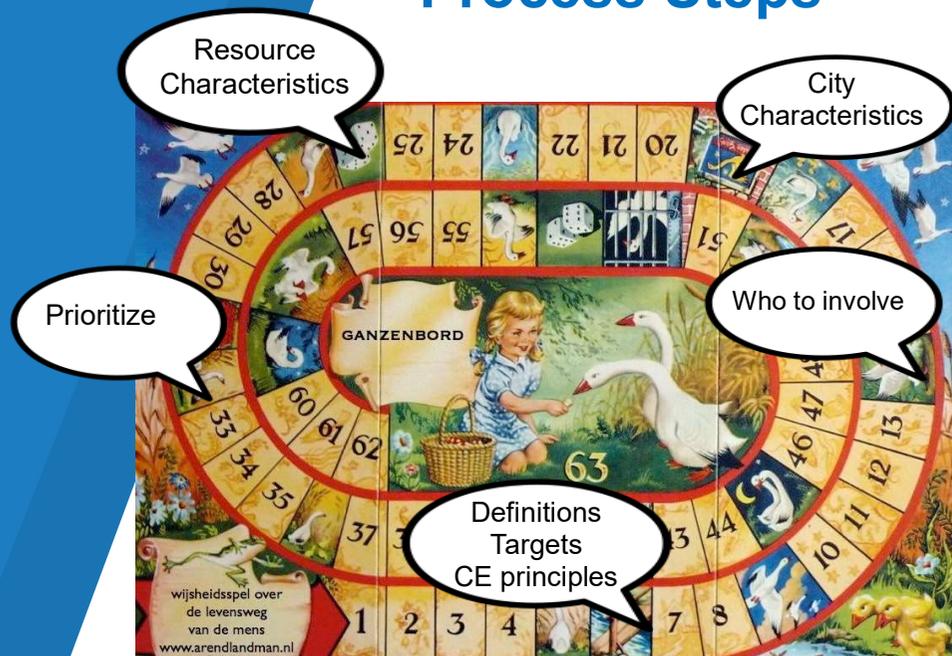

- Inventory of cities with experience
- Analyse content of plans
- Interviews with:
 - involved employees
 - Interview of advisors
 - Interview experts

Findings

- Starting points differ a lot
 - economic potential
 - barriers
 - waste problem
 - spatial issues
- Stakeholder involvement
- Political support essential
- No integrated CE principles and/or EU targets
- Data ?
